Mr J. G. Rama Iyer Deputy Comr. Kheri Circle, was posted as Director of Agriculture w.e.f. 4.3.37. His tenure of Director will be acting till 3.9.37 and substantive from 4.9.37.

2. The appointment of Director of Agriculture is one outside the cadre of Deputy Commissioners. It is for orders whether Mr. Rama Iyer is to retain his lien on the cadre of Dy. Comrs. and treated as occupying a tenure post outside the cadre. So long as he continues as Director, or whether his lien in the Dy. Comrs cadre is to be removed.

3. One other point for orders is whether, in case Mr. Rama Iyer is allowed to retain his lien in the Dy. Comrs Cadre, class to class promotions may not be allowed in the Cadre during his employment as Director — on an acting basis from 4.5.37 to 3.9.37 and on a P.P. basis from 4.9.37. In this

Comrs. due to deputations to other appointments will be to Class III and promotion to higher classes in such vacancies will not be permitted." The vacancy due to Mr. Rama Iyer's appointment as Director of Agriculture does not seem to be of the nature contemplated in the G.O. (as the post of Director of Agr. is not one usually held by a Dy. Comr.) and class to class promotions seem to be admissible in the vacancy ~~to be allowed against this~~. It is further submitted that all ~~the~~ additions to the cadre have so far been made to the last class only and if the present vacancy is in the first class is denied, it may cause hardship ~~by reason of long standing arrangements~~.

"EXTRACT"

Chief Secretary to Government.

I have already pointed out that in accordance with the orders of Government dated the 10th July 1934, seriatim arrangements are not permissible in the vacancy caused by the appointment of Mr. T. G. Rama Iyer as Director of Agriculture. Why Government now wish to go behind this order cannot be made out. This restriction contained in this Government Order was imposed deliberately after consideration to prevent the indefinite extra cost which would result by allowing such arrangements. ~~And to compensate, to some extent for this restriction, the number of posts in the higher grade was increased.~~

It is only an accident that a Deputy Commissioner of the First Class is in the present case appointed as Director of Agriculture. If a Deputy Commissioner of a lower class had been posted, promotion of any one else to the First Grade would not have been thought of. The mere accident of posting a First Class Deputy Commissioner instead of a lower class Deputy Commissioner should not be regarded as giving claim to promotion to the First Class of another Officer. It is on this ground that such promotions were restricted in the Government Order of 10th July 1934.

The arrangements now proposed contravene

the considered orders of Government referred to above, involve avoidable extra cost and will create an inconvenient precedent.

would therefore respectfully represent that the proposed arrangements in contravention of the Government Order, may not be sanctioned and the Government Order of 1934 adhered to.

The Financial Secretary has not agreed to the Council Resolution. With due deference to the views of the Financial Secretary, I beg, however, to submit the following circumstances.--

1) The post of Director of Agriculture is not, I think, one to which any junior Deputy Commissioner could be posted. The selection of the most senior among Deputy Commissioners for this charge may be deemed to be more in the nature of promotion of a Deputy Commissioner to an appointment carrying a somewhat higher status.

(2) The expression "additions to the cadre of Deputy Commissioners due to deputations etc." in Government Order dated 10th July 1934 is, in my opinion, not to apply to the present case wherein a senior Deputy Commissioner is posted as a Head of Department - to a charge not intended to be ordinarily held by an officer of the cadre of Deputy Commissioner.

(3) The Financial Secretary's objection is of a technical nature and it could be overcome if Mr. Rama Iyer is posted substantively as Director of Agriculture. This would not interfere with any subsequent arrangements that Government may deem fit to make. for the moment, it would involve the removal of his name from the cadre of D.C.s.

The proposal now is that Mr. T. G. Rama Iyer need not have a lien in the cadre of Deputy Comm^rs during his employment as Director of Agriculture, and that a permanent vacancy in the cadre of Dy. Comrs may be deemed to be released thereby in which grade to grade promotions may be allowed.

The tenure of Mr. Rama Iyer's appointment as Director will only be acting from 4.5.37 to 3.9.37 as Dr B. Narasimha Iyengar will be on leave during the period with a lien on the post. The vacancy in the First class of Dy. Comr will be only acting from 4.5.37 to 3.9.37 and permanent thereafter.

The above arrangements seem to be admissible as a matter of course in consequence of ~~Mr Rama Iyer's~~ the appointment ~~of~~ of a Dy. Comr permanently to a post outside the cadre ~~[illegible]~~. It is for consideration if the papers need be submitted to H.H. | May be S.C.D

If approved action will be taken to fill up the vacancies in the Comrs Cadre accordingly (1) & (2) for orders

Promotions in the grade of Deputy Commissioners consequent on the appointment of Mr. T.G. Rama Iyer as Director of Agriculture.

I beg to invite gracious reference to His Highness' orders dated 12th April 1937, approving of the appointment of Mr.T.G.Rama Iye as Director of Agriculture in succession to Dr. B. Narasimha Iyengar, granted leave from 4th May 1937 preparatory to retirement from service Mr. Rama Iyer accordingly took charge of the office of Director of Agriculture on 4th May 1937.

Mr. Rama Iyer's permanent rank in the general line is that of Deputy Commissioner, first class. The question whether he should continue to have a lien on the cadre of Deputy Commissioners during the period of his employment as Director of Agriculture was considered recently. As he will have to be treated only as "acting" Director during Dr. B. Narasimha Iyengar's leave,he will have to retain his lien on his appointment as Deputy Commissioner till 3rd September 1937 From 4th September 1937, he will be permanent Director and there will be no need to continue his lien in the cadre of Deputy Commissioners thereafter.

The above arrangements are agreed to by the Dewan and the First Member of Council and may be graciously approved. Action will be taken separately in regard to the filling up of the consequential vacancy in the cadre of Deputy Commissioners.
